

# TED<sup>x</sup> Naperville

x = independently  
organized TED event

October 1 @McDonald Farm, Naperville

Theme: COMMUNITY

This year we explore *building* community. No typical stage talks this year. Become an active participant in determining what community means and how you can actively help build one that is accepting, vibrant and engaging.

We invite you to walk among 20+ of our favorite alumni TEDxNaperville speakers, all eager to converse with you, with most of them hosting small intimate discussions we call Ideashops. You truly will be surrounded by the areas greatest thinkers and doers.

The thinkers and doers doesn't stop with the speakers, you will also be surrounded by 199 other passionate change makers like yourself, all willing to learn, explore and engage with each other.

Our host partner is the Conservation Foundation and our event will take place outside, rain or shine, on the Naperville McDonald Farm. Expect a festive atmosphere with conversations, music, food, cocktails, and even a hay ride and other surprises.
